Dear Dr. Larkins,

Congratulations on the successful completion of your Ph.D.! I know you have been working hard towards this goal and am pleased to see that you've attained it.

I was very interested in the contents of the brief abstract that you sent me and would like very much to obtain a copy of the complete dissertation. Could you please advise me how I might do that? Is it available yet through University Microfilms International in Ann Arbor?

With regard to your request for data on all jumps in the finals of the 1984 Olympic Games, I regret to advise that we have analyzed only the best available jumps by each competitor and not all jumps in the final. I am therefore sending instead copies of some data I received from the IAAF Research Team that filmed at the recent World Championships in Rome. These data include all legal jumps by all competitors in the final. I hope you find them suitable for your purpose.

Warm personal regards.

Yours sincerely,

James G. Hay, P.h.D
